El Tequileño Blanco is made with 70% estate-grown Blue Weber agave and mellowed for 14 days in American oak before bottling. Cooked agave leads the aroma and palate, joined by herbal notes, delicate anise and black pepper, with a gently sweet agave core. The brief oak rest rounds the spirit without turning it into an aged tequila, so the freshness remains clear in Batangas, Margaritas and Palomas.

It works as a characterful house Blanco with genuine Tequila-town heritage and a flavour profile that bartenders can explain quickly.

A cooperative spirit.

Made in limited quantities from 100% Cuishe, a Karwinskii agave, this expression is naturally fermented and copper distilled in La Noria, Oaxaca.

The agave gives tropical fruit, fresh herbs and a bright acidic dryness, with a mineral structure that keeps the spirit precise rather than heavily smoky.

That balance makes Cuishe approachable neat while retaining enough character for a stripped-back Highball, Margarita variation or mezcal tasting flight.

On the back bar it provides a clear premium step beyond an entry mezcal and gives staff a strong single-agave story that is easy to communicate.
